

# STUART DAVIES

4 Lake Simcoe Green SE, Calgary, AB | (403) 710-9386 | stuart.davies@telus.net

## PROFESSIONAL SUMMARY

---

Adaptable and driven Business Administration student majoring in Marketing, backed by a highly analytical Mechanical Engineering Technologist diploma. Proven ability to communicate product features, translate technical concepts, and manage client interactions effectively. Brings a strong sense of urgency, exceptional teamwork skills, and a strategic problem-solving mindset cultivated through high-volume roles and academic leadership.

## CORE COMPETENCIES

---

- Customer Engagement: Expert in guest conversation, handling feedback, and driving client interactions.
- Product Advocacy: Strong ability to learn and communicate product features and benefits.
- Operations & Strategy: Time management, inventory management, and high-efficiency execution under constraints.
- Technical & Analytical: Complex problem solving and technical communication.

## PROFESSIONAL EXPERIENCE

---

### Prep Cook | Market Seafood 2026 – 2026

- Oversaw inventory management and ingredient preparation to ensure uninterrupted, seamless service
- Developed an elevated level of product knowledge, successfully communicating product features and benefits to drive engagement.

### Summer Intern | Western Canadian Marine Response Corporation (WCMRC) 2024, 2025

- Executed on-water tasks under strict time constraints while maintaining a highly organized and clean workspace.
- Enhanced cross-functional teamwork skills by collaborating efficiently with a diverse range of individuals.
- Utilized quick thinking and strong communication skills to coordinate with team members in a fast-paced environment.

### Line Cook | Earls 2022 – 2023

- Processed high volumes of orders with a heavy emphasis on time management and peak operational efficiency.
- Managed quality control and the final visual presentation of products to ensure high customer satisfaction.
- Lead and co-ordinated a team to ensure products were made and presented to a high standard.
